

## PRIVACY POLICY

At Mimic Suits™, we respect your privacy & do not share your personal information. We consider your personal data personal & treat it with confidentiality. In compliance with the General Data Protection Regulation (GDPR), we limit data collection to the least amount needed & only what is relevant, sufficient & necessary for the purposes for which it was collected. For example, for answering your emails or to process your orders. We handle your personal data with integrity in a lawful, fair way & in accordance with your rights. You are free to enquire about your personal data or to opt-out of our database by simply sending us an email.
